

What is claimed is:

*SOB* 1. A stable skin care product comprising:

*AB*<sup>5</sup> a first composition comprising about 0.001% to about 10% of a retinoid;

a second composition comprising about 0.0001% to about 50% of at least one retinoid booster;

10 a first compartment for storing the first composition, wherein the first compartment keeps the first composition out of contact with oxygen; and

15 a second compartment for storing the second composition, the first and second compartments being joined together.

2. The stable skin care product of claim 1 wherein the second composition has at least two retinoid boosters in an amount of about 0.0001% to about 50%.

20 3. The stable skin care product of claim 1 wherein the first compartment is made out of aluminum.

4. A method of conditioning skin, the method comprising applying topically to the skin the product of claim 1.

25 5. A method of mimicking the effect on skin of retinoic acid, the method comprising applying to the skin the product of claim 1.
